August 21, 2018

Dear Paisley School Community Member,

We have been informed this morning that our paving project will be delayed by at least one week. Current projections are for the asphalt portion of our project to be installed is next Monday, August 24.

As you know, that is also the calendared date for start of school. Unfortunately, a paving project encompassing both the front and center of the campus means it will be unsafe for students and other community members during this time. Considering that the paving is at least a two day project—and allowing for potential delays--it makes the best sense for us to postpone school start-up until September 5, after the fair. This will allow plenty of time for any contingencies, and assure our students, staff and families will be safe.

Here is the new schedule:

Tuesday, August 28:	Teacher work day
Wednesday, August 29:	Staff in-service (8:00 am—10:00 am)
	Teacher in-service (10:00 am—1:00 pm)
Wednesday, Sept. 5:	First day of school
Thursday, Sept. 13	Open House (5:30-7:30)

I appreciate your patience and support regarding this delay.

If you have any questions, please don't hesitate to call the office.

Sincerely,

Paul Hauder
Superintendent/Principal
